

PARLIAMENT

OF THE REPUBLIC OF SOUTH AFRICA

**INVITATION TO BID:
B4/2024: PROVISION OF
INTERNET CONNECTIVITY
SERVICES FOR PARLIAMENT
OF RSA**

ANNEXURE A

Background to Parliament

The Constitution of the Republic of South Africa sets a single, sovereign democratic state where government is constituted as national, provincial and local spheres of government which are distinctive, interdependent and interrelated. On the national sphere governance is effected through Parliament, the Executive and the Judiciary.

Parliament represents the people and ensures government by the people under the Constitution, as well as represents the provinces in the national sphere of government.

In this Parliament's vision is to build an effective people's Parliament that is responsive to the needs of the people and that is driven by the ideal of realising a better quality of life for all the people of South Africa.

- 31 Parliament reserves the right not to award this contract.
- 32 Service Level Agreements, where applicable, will be concluded with the successful service provider.

Subcontracting

- 33 A person awarded a contract may not sub-contract any part of the contract after an award has been made. Bidders must indicate upfront their intention to sub-contract and submit the sub-contractors relevant documentation.

Other

- 34 Parliament may amend or cancel this Bid before the award should Parliament deem it necessary.

Security and occupancy

35 Security

All the areas covered by this contract fall within areas defined in the relevant Security and Access Acts as “Restricted Areas” and all of the provisions of these Acts will apply to this contract.

All buildings involved in this contract are subject to stringent access control for all personnel and for materials delivered to and removed from the site. In addition, all workmen and staff on site or in any way involved in this contract are subject to **prior** security clearance.

Bidders will be required to submit a list of the minimum sufficient persons required affecting the work on site plus those directly involved on site with this contract. If any person is rejected for security reasons Bidder will be required to replace them on their list. If the Bidder is ultimately unable to offer personnel with satisfactory security clearance his Bid may be rejected on such grounds.

Any person rejected by the SAPS for failing to meet the security requirements, inclusive of security clearance, wandering away from an escort or from the immediate contract area, or any misconduct on the site will immediately, without any recourse by the Contractor, be removed from site and refused re-entry to site. This refusal to site shall be in addition to any legal action the SAPS may institute.

Successful Bidder will be required to hand in to the Department within Forty-Eight (48) hours after being requested, following formal acceptance of the Bid, the following information:

- Full names of each of the persons intended to be utilized on site, including supervisory staff.
- Position in firm plus service to be performed.
- Intended areas they will be working in.
- A copy of Identification Document, certified as a true copy of the original by the SAPS.
– Such document shall be the original certified copy.
- Home address.

The Bidder are recommended to have such documentation, both for their own staff and for their Sub-contractors, if applicable, available prior to the closing date of Bids so as to minimise delays in security clearance of personnel once the Bid is awarded.

Any time lost due to delays in submitting the called for list of personnel required entering

site, the rejection of personnel on the list, or the subsequent removal and banning from site of personnel will not be accepted as motivation for extension of the contract period.

Such clearance for this project shall remain valid for a period not exceeding 12 months and shall only apply for this project.

In addition, the Oath of Secrecy form attached to this Bid document shall be fully completed and every person having necessity to observe or work with any part of documentation relating to this project is it on or off site.

Legible copies of the Oath of Secrecy document may be made. *(will be provided to the successful bidder)*

36 Safeguarding of documents

This project has been classified by the authorities as “Confidential”. As such, all specifications and drawings must be kept in a safe place at all times, and under no

circumstances may they be shown or distributed to parties not directly concerned with the project.

All documents will be individually numbered on issue and records kept as to what documents have been issued to whom.

It will be the responsibility of the service provider to ensure that drawings do not get issued to unauthorized persons, that all superseded drawings are kept in a secure place until they have been destroyed, and that current drawings are kept in a safe and secure environment.

All documents issued to sub-contractors or suppliers must be signed for, and such sub-contractors and suppliers must also accept responsibility for the safeguarding of such documents while they are in their possession.

All documentation shall be strictly handled as set out in the NIA Minimum Information Security Standards (MISS), a copy of which shall be provided to the successful contractor at the time of site hand over.

It will be the main contractor's responsibility to familiarise themselves with the MISS document and make sure his personnel and sub-contractors are advised accordingly.

37 General Conditions of Contract (GCC)

- a) Parliament cannot award contracts to provide goods or services to a Member of Parliament or Cabinet, a Member of a Provincial Legislature or Member of a Provincial Executive Council, a municipal councillor, a person in the employ of the state whose participation in bidding for the contract may result in a conflict of interest, or any entity in which any of the mentioned persons is a Director or has controlling or other substantial interest.
- b) Where a joint venture / partnership submits an offer for this bid, a joint venture / partnership agreement must be attached, which specifies the names of the companies that have formed the joint venture / partnership, the name of the joint venture / partnership. Companies that are members of the joint venture / partnership will be individually required to comply with tax compliance requirements by the South African Revenue Services (SARS).
- c) Parliament reserves the right, for purposes of promoting the values of competitiveness and fairness, not to award the bid to the highest scoring bidder, if such bidder has been awarded a bid by Parliament or has performed services for Parliament during the last twelve (12) months prior to the closing date of the bid.
- d) In terms of Section 4(1) of the Competition Act No.89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder(s) is/are or a contractor/s was/were involved in:
 - i. Directly or indirectly fixing a purchase or selling price or any other trading condition,
 - ii. Dividing markets by allocating customers, suppliers, territories or specific types of goods or services, or

- 11.5 The successful bidder/s, its employees and sub-contractors must comply with Parliament security clearance.
- 11.6 The successful bidder/s must be willing to sign a confidentiality or non-disclosure agreement.
- 11.7 Parliament may request bidders to provide additional pricing information to be utilised for comparative purposes during evaluations.
- 11.8 Parliament reserves the right to invite shortlisted bidders to make presentations to its evaluation team.
- 11.9 Parliament reserves the right not to award this bid in total or part thereof.
- 11.10 Parliament reserves the right, for purposes of promoting the values of competitiveness and fairness not to award the bid to the highest scoring bidder, if such bidder has been awarded a bid by Parliament or has performed services for Parliament during the last 12 months before the closing date of this bid.
- 11.11 Should the need arise, and without any additional costs to Parliament, all stakeholders must take appropriate steps to ensure maximum protection of themselves and other persons against the spread of the Covid-19 virus and other communicable diseases.
- 11.12 Parliament reserves the right to award the bid to one or more bidders.

ANNEXURE E: CONTRACTUAL OBLIGATIONS

Conditions and Procedures to be complied with as part of the Contract with Parliament.

1. STATUTORY REQUIREMENTS

All persons employed by the Contractor working within the premises of Parliament shall comply with the Regulations of the Occupational Health and Safety Act, Act No. 85 of 1993 as amended.

The Contractor shall designate, in writing, one of his full time employees in terms of the provisions of General Safety Regulations or Section 8 of the Occupational Health and Safety Act who shall be in charge of work on site.

The above designation shall be made before work commences on site. The appointed person, for inspection purposes, shall hold one copy on site and a duplicate copy shall be handed to NDPW / WSP employee in charge of that particular project.

The Contractor shall instruct his authorised site representative to report to the NDPW / WSP employee who is in charge of the project.

2. GENERAL REGULATIONS

The Contractor shall submit a list of all portable electrical tools and equipment to security before permission is granted to enter or leave the premises. Vehicles will be subjected to a search before entry and when leaving the premises.

Contractors are not permitted to stay on the premises after their shift has been completed.

The Safety, Health and Environmental Manager (hereinafter the Safety Manager) must authorise any work, which could affect or interfere with normal activities of Parliament.

All excavation work must be railed off or barricaded, debris or material, which cannot be removed immediately, must be placed in such manner as to allow adequate and safe passage.

The Safety Manager will authorise areas where rubble and other material may be stored.

The Contractor will stay confined to the area of his work.

3. PERSONAL PROTECTIVE EQUIPMENT

Safety harness (parachute type) shall be used whenever work is performed at a height of 2 meters or higher unless a suitable platform with handrails is provided.

Suitable eye protection must be used whenever there is a danger of flying particles or splashing of chemicals.

Hearing protection shall be used whenever a noise zone is entered. Earmuffs shall always be worn whenever a jackhammer is used.

Gloves and welding helmet shall always be used for welding operations.

The Contractor is responsible to provide the necessary protective equipment and to ensure that it is used as required.

4. ISOLATION PROCEDURE

No one shall work above or on moving machinery, energy driven mechanical apparatus, electrical panel or switchgear unless it has been isolated from power or movement by means of applying a padlock on the main switch.

The Safety Manager must grant permission before padlock can be applied.

5. ELEVATED AREAS

No work may be performed above the heads of persons or aisles or roads unless suitable precautions have been taken to ensure the safety of persons and property below. The affected area must also be identified beforehand and effectively cordoned off.

All scaffolds and suspended loads must be left safe before leaving work at the end of each day – i.e. loads lowered to the ground, scaffolds securely tied down and all loose tools and equipment secured against falling.

Where scaffolding is erected, handrails, toe boards, etc., must be embodied and all such equipment shall be lowered to the ground under competent supervision.

6. TOOLS AND EQUIPMENT

Contractors shall provide their own ladders, trestles, scaffolds, lifting tackle, tools and portable electrical equipment.

Makeshift or unsafe equipment shall not be permitted on the premises and will be confiscated for the duration of the contract.

No insulation tape or similar may be used on any electrical wiring or cables. Joints in cables must be approved by the Safety Manager to use on the premises.

Contractors may not operate Parliament equipment, lifts and vehicles. In exceptional instances the Safety Manager may grant permission. In such an event, the contractor shall produce a valid Certificate of Competency as described in the Occupational Health and Safety Act. A copy of the certificate will be kept on the person of the Contractor who operates the above-described equipment. Any employee of Parliament may ask such Contractor to produce the said certificate.

All tools and equipment must be reported to Parliament Security whenever a Contractor enters or leaves the premises. It is the duty of the Contractor to ensure that articles or equipment are recorded in a Parliament register whenever it is brought on site.

7. PRECAUTIONS AGAINST FIRES

The Contractor shall ensure that his employees do not smoke anywhere on the premises except in identified smoking bays.

Paint, thinners, petrol, oil or any flammable materials shall be stored within a designated area.

The Contractor shall first obtain a Hot Work Permit from NDPW/ WSP before any naked flame or grinder is used anywhere outside a workshop.

The said permit is valid for one day only and shall be kept on the person who is using a naked flame.

The Contractor shall take all necessary precautions to eliminate all fire hazards and to prevent fire damage.

All fires shall be reported immediately to the Safety Manager.

8. HOUSEKEEPING AND FIRST AID

The Contractor shall uphold high standards of housekeeping.

The clinic on site will assist with first aid treatment if required. Should the employee require further medical attention, the emergency service provider will escort the person to the nearest hospital.

All surplus material and builder's rubble must be removed from the premises on completion of the contract or as otherwise specified by the Safety Manager. Parliament reserves the right to remove such material against cost within three days after completion of the contract.

9. TRADE UNIONS

No employees of a Contractor shall be allowed to actively further the interests of any Trade Union on site.

10. SECURITY

The principle of security fences must be upheld at all times.

Parliament does not accept responsibility for the safekeeping of any material, tools or equipment brought on site.

All portable tools or equipment brought on site must be removed at the end of the day's work.

11. PROCEDURE IN THE EVENT OF AN ACCIDENT / INCIDENT

The Contractor shall act as 'The Employer' in terms of Section 16 of the Occupational Health and Safety Act.

The Contractor shall report any injuries sustained by his employees to the Department of Labour and the Compensation Commissioner. The injuries and responsibilities are as defined in Section 24 of the Occupational Health and Safety Act.

All accidents / incidents shall be reported to the Safety Manager.
In the event of an accident causing the loss of a life or the possibility of the loss of a life, no person shall disturb the site at which the accident occurred or remove any objects involved in the accident before the arrival of an inspector from the Department of Labour.

12. SUB-CONTRACTORS

The Contractor shall inform the NDPW / WSP of any Sub-Contractors who may work on site.

The Contractor shall ensure that Appendix 1 is properly completed and submitted to NDPW / WSP prior to commencement of work.

The Contractor shall ensure that the Sub-Contractor complies fully with statutory and Parliament requirements.

13. USING OVERHEAD CRANES AND LIFTING TRUCKS

The following shall apply if the Contractor has to operate overhead cranes on site: -

The Contractor shall ensure that all his employees who have to operate a crane or lift truck to render services as stipulated in the contract, have had formal training as required by the Occupational Health and Safety Act.

The Contractor shall ensure that the training is valid in terms of the Act.

The Contractor shall present certificates of training to NDPW / WSP before work may commence.

14. FAILURE TO COMPLY WITH PROCEDURES

Failure to comply with the contents of this document could result in legal prosecution by the Department of Labour.

Noncompliance by the Contractor with any of the requirements as stipulated in this document could result in any or all of the following actions being taken by the Safety Manager:

The Contractor could be requested to leave the premises and the contract for the project tendered for would become null and void. All costs incurred by Parliament for such actions would be borne by the Contractor.

A specific member of staff who breaches this contractual obligation could be requested to leave the premises without delay and would not be permitted to enter the premises in future. Any costs incurred would be borne by the Contractor.

Equipment which would be deemed as unsafe would be confiscated by NDPW / WSP / Parliament and returned upon completion of the specific contract. Any costs incurred would be borne by the Contractor.

15. HAZARDS IDENTIFICATION

The Contractor must determine the degree of hazards related to the project tendered for, and implement precautionary measures.
